If you could trade places with any other person for a week, famous or not famous, living or dead, real or fictional. With whom would it be and why?

I would trade places with Johnny Depp. First of all-who doesn't want to trade places with the opposite sex for a while? Secondly, I'd get a taste of the good life – I'd be handsome, rich, famous, did I mention handsome yet?

If you could be a superhero, what would you want your superpowers to be?

I always want to know what other people are thinking. You know what people say –curiosity killed the cat- If I were a cat, I'd be dead. Very dead.

If someone wrote a biography about you, what do you think the title should be?

I extreme coupon! I love to get things for free-a lot of things. I have a stockpile that has taken of our spare room, and two binders full of coupons. Sometimes I'M the one embarrassing my PARENTS. We go out shopping, and I pick up 50 boxes of Ziploc bags, and pay \$2.00, for instance. People stare, my parents don't like that....

I have not hit a 180! I only switched to hitting 20's this year, before it was always 18's, so ive hit 4 162's. I've been close to 180's, ive hit about 10 123's- just can't get that last dart in though.

It's a great game of skill, and it just might be for you if you aren't into physical contact sports.

The toughest opponent I have ever played is a girl named Oshie Watson. She's from Ontario, and damn is she a good player! She hits triple 19's like I've never seen before.
