

News Release

Feb 13th, 2011

Due to sponsorship obligations all NDFC ranked tournaments **MUST** use approved NODOR dart boards.

Approved boards are:

- Supamatch** (blade wire). (ULTIMATE NO BOUNCE-OUT MODEL)
- Supawire** (triangle wire).
- Supabull** (round wire).
- Swiftflyte/Nodor** (same as Supabull but Swiftflyte branded instead of Nodor).

Tournaments that are non compliant will face fines and/or their tournament being placed on probation. It is imperative that tournaments adhere to the requirements of the NDFC so there are no sponsorship contract violations that could jeopardize our continued support from BY.

Future Ranking Packages will contain all the details for tournament organisers so they are compliant with the requirements. These updated ranking packages will be sent to upcoming tournaments effective immediately.

The NDFC is pleased to announce that the 2011 Adult and Youth National Championships as well as the Canadian Open will feature NODOR Supamatch dart boards.
The Supamatch board is NODOR'S top line dart board with a suggested retail value of \$90.

The upgrade to the Supamatch board will benefit all involved in regards to quality, durability and reliability. It is anticipated that sales for the Supamatch will increase following the 2011 National and Canadian Open.
